

ICYS
2008

Announcement

XVth International Conference of Young Scientists

in Physics, Mathematics, Computer Science and Ecology
Chernivtsi, Ukraine, 18-23 of April 2008

The conference is organized by the Chernivtsi National University and Youth Scientific Society (YSS) Quasar supported by the Chernivtsi City Council

The subject of the presentations can be connected with any topics of Physics, Mathematics, Computer science or Environmental sciences/Ecology. Each presentation can be made only by one secondary high school student and will be qualified by an international jury. The best presentations will be rewarded. The presentation time should not exceed 15 minutes followed by a short discussion. The conference language is English.

The participation fee is 100 € / person, which will cover the accommodation with full board and cultural program. Every prospective delegation may consist of no more than six high school students and one or two team leaders.

The information about the **Regulations** can be found on the central website of ICYS:
<http://metal.elte.hu/~icys>

Deadlines:

20th January 2008: Deadline of preliminary registration. Names of team leaders and number of students and presentations must be announced.

1st of February 2008: Countries who want to send **more than one team** have to inform the LOC.

10th of February: registration of all teams is completed.

1 March 2008: Prospective authors have to return the preliminary registration form and to submit an abstract in English (maximum one typed A4 size page) to the LOC.

15th of March: the countries will have transferred the participation fee of 100 € / Person.
